CEO's Note

Our footsteps in Madhya Pradesh

CLT India implemented **e-patashale program** in Government Model High School and Government Gyanodaya Vidyalaya in **Madhya Pradesh**, situated on the outskirts of Shahdol district. **19 teachers** were trained and the program will cater to **600 students**.

“ The way CLT has shown and created the content is aligned to our NCERT textbook and it will help our students understand and learn better. It helps us save time and teach better”
- Head Master, Government Model High School]
