Annual Report 2022 - 23

OUR VISION

“ Access to Quality Education For All ”

OUR MISSION

“ We connect students and practitioners to endless opportunities and new experiences of learning ”

From The CEO's Desk

I am very proud and pleased to present the annual report of CLT India for the year 2021-22. For everyone the year has been exceptionally challenging. Each one of us has battled the pandemic in diverse ways. Health, Education, and Livelihood were the sectors most affected. School closures due to the coronavirus pandemic affected more than 320 million students across India. The estimated loss of learning for students has been substantial during the pandemic. It also exposed the massive

However, the teachers, education department officials, and CSR leaders all rallied together to ensure that the learning loss was minimum. On behalf of CLT India, I take this opportunity to extend sincere thanks, gratitude, and acknowledgment to all our teachers. Their dedication and commitment helped India avoid an education crisis. I hope we as a nation remember this for a long time to come.

Amidst the most challenging of years, I am incredibly proud that CLT India has been able to vigorously continue its efforts to bring access to quality education for all. Implemented our digital programs in more schools, trained more teachers, engaged a wider community, and grew the number of partners. During 2021-22, our e-patashale program was implemented in 257 schools and trained 1,664 teachers leading to

Karnataka. Free subscription to our teacher App Jigi and student app Jigi-Jigi continued during the year also to enable access to quality digital stem contents outside the classroom. We prepared 97 videos for the Early Grade Reading (EGR) Initiative (Millenium Alliance Award), to enhance the perceptual learning abilities of children between grades 1-4 in Kannada language. These videos would be available as open-source from

- Nixon Joseph, CEO

2022 marks the 25-year anniversary of CLT India. We've witnessed several milestones, and challenges, and learned a lot along the way. It gives us great pride and satisfaction to see that our initiatives have so far benefited 2.7 million students and 81,600+ teachers pan India. Just imagine the tremendous efforts that would have gone through to set up 12,600+ digital classrooms all across India. But we also realize that we still have a

Our Reach

CLT e-Patashale was designed to bring about change in rural classrooms. The entire programme architecture was built around what 'Access' meant in the context of underserved communities, which meant that resources had to be available in a variety of regional languages, technology had to be robust yet affordable, teachers could be easily 'upskilled', and content could be accessed without using the internet.

Activities During the Year

CLT reaches to Nagaland

It is with great pleasure that we extend our e-Patashale Digital Classroom program to Nagaland. In partnership with Mphasis Limited with the support of the Department of Education, Nagaland, CLT India has implemented e-Patashale Digital Classroom in 11 schools in Kohima, Nagaland. 960 students and 126 teachers have benefited from this.

Rotary Club

In partnership with Rotary Bangalore Junction, over 43 schools have been digitally transformed with e-Patashale digital classrooms as part of the ongoing e-Shala program. 4700 students benefited from this and 195 teachers were trained.

Right to Live

22 rural schools in Karnataka are now equipped with e-Patashale classrooms, as an initiative by Kote Foundation to upgrade rural schools with quality STEM education.

Banyan Global Foundation

Under our “e-Patashale” Program, CLT India and Banyan Global Foundation partnered and successfully digitized 3 classrooms of a rural school in the Magadi region

Magma HDI Magma HDI General Insurance Company Ltd.

Magma HDI General Insurance Company Ltd partnered with us to digitally empower government schools in Shivamogga district, Karnataka. e-Patashale digital classrooms were implemented in 7 schools in Thirthahalli, Shivamogga benefitting 1287 students and 126 teachers

State Bank of India
LHO Mumbai Metro

State Bank of India LHO Mumbai Metro, as part of their CSR initiative, partnered with us to digitally empower 15 BMC Schools in Mumbai with the support of the Brihanmumbai Municipal Corporation (BMC) Mumbai. This is now benefitting 6546 students and 156 teachers.

Sarvagna Healthcare Institute

In addition to the 29 schools in Sarvagna Nagar, where the e-Patashale program was implemented last year, CLT India successfully implemented the program in 11 more schools in Govindapura, Bangalore this year. 5365 students and 229 Teachers will be benefiting from our program.

S.J.S Enterprises Limited

S.J.S Enterprises Limited partnered with CLT India to digitally transform 7 schools in Kanakapura, Bangalore. This has benefited 1034 students and 29 teachers.

Digital Literacy Training Program

Launched Digital Literacy 1.5 version in Kannada

CLT India launched Digital literacy content Version 1.5 in Kannada, an upgrade to version 1.0. Teacher upskilling training was conducted at the CLT campus for 30 faculty members from various Government Schools across Bengaluru. The motivational session on the first day of this two-day event was led by Dr. Purrushottam Bung, Professor and Director of the R V Institute of Management, and was followed by a session on teaching techniques led by Dr. Anupama K. Malagi, Professor and IQAC Convenor and a TEDx speaker. The second day was dedicated to subject-specific orientation training for teachers on Digital Literacy Version 1.

Launched CLT India - Digital literacy program in Telugu in 10 schools in Hyderabad

The Digital Literacy Program's Telugu Version 1.0 was introduced in Hyderabad in collaboration with Rotary Bangalore West and Goldman Sachs. As part of our "Digital Literacy Program," CLT India held a 2-day session in Hyderabad for 10 faculty members from 10 different government schools. The teachers, who will next educate their respective student groups, received training in the fundamentals of computer instruction. Rotary Bangalore West collaborated with the organisation to host the event.

Events at CLT

Clubhouse Alumni Meet

Intel Clubhouse alumni met on 7th May 2022 to revive memories of the clubhouse days. The session concluded with everyone interacting and exchanging stories and memories of the time spent in CLT India during the Clubhouse days.

CLT India's Educational Scholarships

Distribution of CLT India Educational Scholarship for Girl Students of Government schools of Karnataka. We are thankful to Mr. Shara Kundu for his kind support to CLT India educational scholarship scheme. Their support will encourage meritorious girls students in government schools of Karnataka to further their studies. Distribution of CLT India educational scholarship for girls students of government schools of Karnataka was held at CLT India premises by Dr. Farookh Syed (Chief Guest) & Ms. Anjum Farookh. Mr. Bill Thies, a Board Member of CLT India graced the occasion.

Kids Summer Camp

CLT India organized a Kid's Summer Camp for children in communities. We had more than 25 children above the age of 5 from Jakkur, Bangalore enrolled for our summer camp. The camp was filled with fun and creative activities for kids. It provides an opportunity for the CLT India team to volunteer and work with children. The program includes fun activities such as movie screenings, computer skills, Spoken English, career counseling, arts & craft, STEM experiments, etc.

*Jigi-Jigi : The Student App Distribution Program
Supported By Dr. Farookh Syed & Ms. Anjum Farookh*

Jigi-Jigi - The Student App Distribution Program

We would take this opportunity to express our gratitude to our donors for their kind contributions. We are really grateful for their support. We could give out free licenses of Jigi-Jigi: The student App to 160 students from the Government Schools in Jakkur, Bangalore, and Kohima Nagaland. This will provide them the opportunity to access high-quality digital content in Science and Mathematics.

Amazon India Alexa Community Program - 2023

CLT India Partnered with Amazon's Alexa community and provided Alexa Echo Dot for 127 government schools across 3 states (Karnataka, Maharashtra, and Nagaland) and conducted training sessions for all the teachers on how to integrate Alexa devices into the classroom environment to enhance the learning experience of the students.

Awards and Recognitions

MATH POWER! PRIZE

CLT India won the first Math Power Prize organized by mEducation Alliance (formed by USAID). The only organization from India to win the International prize. Another international recognition for the high quality of our digital content and the great impact we are creating.

GCPIT Award

Honoured to receive the "GLOBAL SUSTAINABILITY AWARD 2022". In appreciation of the outstanding achievements and professional commitment towards global sustainability.

Media Mentions

Corporate Social Focus, for covering CLT India's story in the September 2022 issue of CSR Magazine.

Coffee Table Book

To commemorate our 25th year we will be releasing a coffee table book detailing the journey of CLT India over a period of 25 years.

Volunteers

Big congratulations to all the interns from the **Xavier Institute of Management Entrepreneurship (XIME)** and **Christ University Bangalore** who completed their semester internships with CLT India. We wish you the best!
