

## Digital STEM for every child, everywhere

**2.7** Million Children  
**81,500** Teachers  
**13,500** Digital Classrooms  
**4,500** Schools

### CEO'S NOTE

Education is associated with better life outcomes especially for the poor and the most vulnerable. The unique power of education to act as a catalyst for wider development goals can be fully realized, only if it is equitable. Children from marginalized families experienced more learning losses during the COVID-19 pandemic. The crisis has starkly highlighted the inequalities in digital access and taught that 'business as usual' will not work for the delivery of education to all children. There is therefore a need to re-imagine education, to provide an equitable and engaging learning experience for all children. The vision and mission of CLT India have been just that, to provide access to quality education for all. More than 4500 rural government schools and 2.4 million children have benefited from our digital interventions. Our high-quality learning apps Jigi, the teacher app, and Jigi-Jigi, the student app were offered free to students and teachers during covid.

- Nixon Joseph  
CEO, CLT India

### Next Launch!

In partnership with  
FICCI & Millennium Alliance

Early Grade Reading video modules will be launched soon on Youtube and CLT's android applications.

Follow us on social media and stay updated!

### CLT India wins the SABERA Awards - 2021

We have been recognised under the 'Special Jury Commendation' category for our work in providing Digital STEM to Government schools across India.

*'Team CLT would like to express our heartfelt gratitude to all our supporters & partners for continuously backing our efforts to reach more students every year!'*

### SAP Social Sabbatical Program - 2021

co-ordinated by Pyxera Global

Senior Product Manager, SAP Labs India Pvt. Ltd. Senior Business Process Consultant, SAP Labs India Pvt. Ltd. User Assistance Developer, SAP Labs India Pvt. Ltd.

Employees from SAP Labs were part of a 3-week long volunteering program with CLT India, during which they helped structure operational roadmap for SINTL Labs - a social enterprise incubated by CLT India.

### We are Back-to-School!

Over 300 schools have been transformed since April 2021 with e-Patashale Digital classrooms as part of the on-going e-Shala program, in partnership with Rotary Bangalore Junction & Menda Foundation.

We would like to thank Rtn Velu Kumar, from Rotary Bangalore Junction for co-ordinating on the timely delivery of resources & Mr. Vinoden, from Menda Foundation for proactively conducting the timely inspections that has overall helped to achieve quick implementations

**1,500+** Teachers trained

Tumkur

Ramanagara

Pavagada

**12,000+** Students using e-Patashale

Mulbagl

Kunigal

Magadi

Kolar

**300+** Schools

**700+** Classrooms transformed

12 schools in Attibele region of rural Bengaluru are now equipped with e-Patashale classrooms as an initiative by Michell Bearings & British Engines to upgrade rural schools with quality STEM.

### Teachers are our #Champions

Mr. S Surendra Kumar, Teacher  
Jnanasindhu Rural Primary School  
Hallimala, Ramanagara District

### Digital Literacy Training Program

in partnership with Rotary Bangalore West

Teacher upskilling training conducted at the CLT campus for 30 faculty members from various Government Schools across Bengaluru. The workshop is a certified course on Basics of Computer education, which will further be used by the participants to train their students. Rtn. Naveen Kolavara has been CLT's long-running supporter who ensured the smooth execution of the workshop.

### Smart classes inaugurated at Government schools

Saravna Health Care Institute has partnered with CLT to provide Digital Classrooms in 28 Government schools in Saravnanagara Constituency, Bengaluru. This initiative has been ably supported by Hon'ble MLA Mr K J George.

### New projects underway!

**ASEEM INFRA FINANCE** Aseem Infra Finance, a Mumbai based financial company, has pledged to provide e-Patashale classrooms in 27 schools located in Pune & Mumbai regions.

**KPMG** supports CLT's Teacher Training Program to upskill over 500 teachers in Karnataka.

**BOSCH CSR & SBI Gram Seva** to implement e-Patashale in Bengaluru & Gadag districts respectively.

### See-Taare

Taking learning beyond textbooks

CLT in collaboration with Ms Seetha S, formerly with the ISRO and Dr Uday Shankar, formerly with the Raman Research Institute have joined hands to take students on the journey of experiential learning.

The program will focus on learning beyond textbooks where scientists and academicians will give talks on science related subjects to provide students with the right kind of exposure into the world of STEM! CLT aims to provide these resources as open source so that children, irrespective of their backgrounds can have access to new age STEM opportunities.

### Michell Bearings India lauds CLT India's initiatives

'We have always been passionate about working in the field of education. MBI has constructed two schools, complete with compound walls, toilets, play equipments, furniture, and all amenities. Computer lab with Computer and English teachers have been provided.

Michell Bearings and CLT have been working together since a long time in this field. 10 (Ten) schools in the Anekal Taluq were provided with TVs to facilitate e-patashale. The teachers were trained by CLT personnel.

We visited the schools after installation. The teachers and students were very enthusiastic. The visuals give them a much better and easy understanding of the subjects.'

- AP Malpani, Managing Director  
Michell Bearings India

### Giving Tuesdays at CLT

We are conducting Giving Tuesday campaigns to encourage donors and supporters to become champions of our cause by contributing to CLT's vision in any way they can.

Join us in our mission to make education accessible in 25 schools through CLT e-Patashale!

Support us to digitally transform 25 rural school classroom by implementing CLT's e-Patashale Learning Lab!
